About this space

Teacher's Lounge

The teacher's lounge offers educators and other faculty members a private space away from students where they can socialize over coffee, eat lunch, meet with other staff members or plan lessons. Spacious, café-style tables allow teachers to spread out a newspaper or look at a device as they eat, and comfortable soft seating gives them a cozy area where they can meet or just relax. Shelving provides storage for personal belongings and message boards offer a convenient place to post reminders or communicate ideas to other staff members.
